Clean Park, Happy Dog, Healthy Kids

Dog waste contains disease-carrying bacteria that can make people sick and can pollute our waters.

By-law A-300 requires that you clean up after your pet. But picking up the poop means that you care about your kids, your pets, and your park.

Please help keep our Parks clean and healthy.

Dogs and All Off Leash Parks: **The Well-Prepared Dog Owner**

Is Point Pleasant, Seaview, Shubie the right park for you and your dog?

Are you familiar with your obligations under By-law A-300 , the Animal Control bylaw?

Both owner and pet are expected to be well-behaved and courteous members of the dog walking community.

There are areas where your dog is not allowed-- but there are many kilometers of trails for you and your pet to explore and enjoy!

You and your pet will be sharing the park with adults and children, park workers, walkers, cyclists, runners, picnickers, artists, birders, urban wildlife, and the occasional Shakespearean actor if you are in Point Pleasant Park.
